PROFESSIONAL PROFILE

My name is Christina Fairbairn and I am a graduate of the Interactive Media Management Program at Algonquin College. I am also a graduate of the University of Ottawa with a Bachelor of Arts Degree. Throughout my education and previous working experience I have worked diligently with clients and colleagues to obtain exemplary results.

I have two years experience in freelance multimedia content creation, four months experience in client project delivery, as well as four years experience in retail service delivery. I possess exceptional problem solving and time management skills, honed by my previous job experience. Spoken languages include English (first language) and French at the intermediate level.

EXPERIENCE

Project Team Member, Reach Canada

January 2019 – April 2019

- Captured audio during film sessions to later be edited and implement into a series of five videos
- Edited audio, video, and composed an original instrumental track
- Attended meetings with client and team members to finalize project specifications

Web Content Creator, Freelance

Aug 2016 – Present

- Created multimedia content for the web including videos, voice overs, scripts, music, animations, and live-action film
- Collaborated with team members/clients to complete media projects
- Edited and finalized final drafts and submissions

Sales Associate, Babies R US

June 2011 – July 2015

- Provided prompt service delivery to customers, tending to all customer concerns, both proactively and reactively responded to phone calls and processed sales transactions at register
- Maintained a well organized and attractive display electronically updated and completed baby registries and online orders
